

On stage stands a man with a microphone, bathed in the spotlight. Perhaps accompanied by a piano. Dressed to the nines. He's got charisma. Charm. Cool.

Then, you hear that voice. Smooth as cashmere. Captivating. Crooning.

Maybe for the first time in your life, you witness an entertainer with a stage presence that engages the entire audience from the first note. You simply relax, swept away on a journey through stories and song, to a place where love and loneliness and joy and laughter are intertwined.

Before you stands a gentleman whose time has come, and who keeps audiences clamoring for more. Seniors, Baby Boomers, Gen Xers and even Gen Y – all ages are seduced by his spell. Familiar tunes ranging from standards to jazz to contemporary favorites, this seductive singer evokes feelings of a bygone era.

In this day and age, most people have no idea of what it felt like to be in a swanky supper club with a first-rate floor show. The idea that a performer could keep you laughing, crying and smiling for two hours never occurred to you.

But tonight was different. Just a man and a mic. And talent. It's high time for a high-class entertainer.

It's time to book Wade Tower.

Wade Tower

"Wade Tower is one of the best entertainers we have worked with over the past 10 years. He has performed at our Customer Appreciation Parties at the Skyline Club in downtown Indianapolis and the customers loved him. Our customers are bill collectors (tough crowd) and he adjusted to the industry and lingo with the utmost ease to truly entertain our clients all night long! Wade is truly talented, with a great voice and unbelievable wit to blow away your audience. Highly recommended!"

– Rich Turner (Indianapolis, Ind.)

"I have had the opportunity to see Wade perform in many situations and functions over the past years, nearing a decade. He has a captivating style and humor that will force you to smile. I have seen Wade turn a group of several hundred semi-conscious banquet-goers into a laughing, lively and participating audience. He is also a bona-fide gentleman and will put you at ease with his casual and personal style. Wade's stage presence can capture any audience and is entertaining enough for any venue."

– Joe McNeal (Englewood, Fla.)

"One of the things I like most about Wade's performance is the fact that he is not rattled. Wade does a great job of tailoring his show to the audience and being able to make the subtle changes necessary to keep the crowd with him. I have seen him in front of tough audiences, those folks who do not always want to be entertained, and Wade does an amazing job of bringing a smile to everyone's face, whether they like it or not."

– Scott Millsap (Spokane, Wash.)

"I've always enjoyed Wade's entertainment. It's refreshing and fits the occasion. There are many entertainers out there, but Wade is only one that reminds me of the total package. He is a throwback to the era that gave us Bing Crosby and Bob Hope. He has an incredible voice, but his stage presence makes each audience member feel like he is entertaining just for him or her."

– Frank Fox (Goodlettsville, Tenn.)

"When I know Wade is going to be at one of my meetings or be performing close by at a casino, I will find time to be there. His voice and his performances always entertain and make my trip worthwhile. An hour with Wade is an experience you will never forget and an experience you will want to repeat over and over."

– Monte Bisch (Concord, Calif.)
